## About us

Accurate Electronics is one of the leading manufacturers of Electronic Weighing Scales & Systems. Since our establishment, we have always adhered to the guiding principle of customer satisfaction as the guarantee to meet the ever-changing market demands. From inception, we are continuously focusing our efforts to conduct the business with integrity, professionalism and superior quality.

Furthermore, we have always placed emphasis on keeping up with the times and improving our production technology as well as quality assurance. Armed with more than 20+ Years of professional experience in production and equipped with reliable materials and up-to-date technology, our skilled staff can surely provide you with the right products.

Our range of product includes High Precision Lab scales, Jewellery scales, Retail scales, Counter scales, Bench/Platform scales, Hanging scales, Kitchen scales, Weighing Indicators, Table Top Scales, Platform Scales, Heavy Duty Industrial Scales, Water Proof Scales, Piece Counting Scales, Crane Scales, Price Computing Scales, Labeling Scales, Bluetooth Scales, Barcoding Scales, Full SS Scales, Flame Proof Scales, Pocket Scales, Baby Weighing Scales, Check Weighing, Personal Scales, Portable Scales, Pallet Truck Scales, Roller Scales, Trolley Scales, POS Scales and much more in a diverse configuration which meets the requirements of our clients.

We have searched the world over for the best product, constantly evaluating each item's quality, usefulness and value. When it comes to the innovative product, Accurate Electronics will be the only source you'll ever need.

## Our Objective

- ⦿ Customer First
- ⦿ To Search for new and improved Best Practices
- ⦿ To be valued Business Partner

## Our Goals

- ⦿ Improve Everyday
- ⦿ To Honour all Our Promises and Commitments

A well designed, focused portfolio of leading Weighing Scale products.

ON TIME

Building Win-Win-Win relationships with customers and team members and working together by improving supply chain efficiency

ON  
RELATIONSHIPS

Employ, train and develop the best team members. Our database vertically increases with more than 3,00,000 satisfied customers.
